2022

INTERNATIONAL ONLINE CONFERENCE OF: **ERASMUS+ PROJECT** “INTEGRATED LEADERSHIP IN SCHOOL PRACTICE”

18/05/2022 AND 19/05/2022

Aims and Objectives

The online conference will gather invited international experts, researchers and stakeholders working in the field of school leadership and Leadership for Learning.

PROGRAMME FIRST DAY

The main objective is to exchange and generate new knowledge for building evidence on how Leadership for Learning can have a positive influence on the learning process of both the students and the school team.

In particular, the focus of this conference is directed toward providing the participants with a framework, tools and good examples on Leadership for Learning.

This will also be an opportunity to present the work of the international partners of the ILSP-consortium on this topic and to collect feedback from participants to improve the project outputs.

PROGRAMME SECONDO DAY

Main participants would be:

- Those who are interested in learning more on theoretical and literature elements supporting leadership in school.
- Those who are leading with innovative programs or practices in education in their schools, school groups, or education authorities.

Format

To limit the spread of the SARS-CoV-2, the event will be organized online. Participation is free of charge, but we will ask each participant to register.

Conference sessions will be planned during the afternoon in order to make it easier for school leaders and teachers to attend.

It is possible to attend only one or both the conference days:
